- Went over Instruction to Bidders
- Fill form out correctly.
- Available April 13, 2015 and Completion July 17, 2015. LDs \$500.00 per DAY.
- Goals are 0%.
- Reviewed Contract Proposal
- Reminded all to follow the Instruction to Bidder page.
- Harry Buckner of McGill Associates was recognized and that he would answer any questions concerning the project.
- Harry Buckner stated that the quantity for line item #3 on the bid form should be 1,700 LF. An addendum will be posted on the website and will need to be included with the bid package.
- Harry Buckner stated that Chris Deyton would need to apply for a Sewer Permit from the Town of Marshall.
- A question was asked if there was an onsite location for waste material. It was noted by Jeff Baldwin that waste material could be dumped in the waste site.
- A question was asked if blasting could be done in the ditch line along the road. It was noted by Chuck Phillips that there is no subsurface information provided. It was noted that any damage to the road would be responsibility of the contractor. Harry Buckner noted that with the force main not having a lot of depth, it most likely could be hammered out.
- No other questions and Pre bid meeting adjourned at 10:25 am.
